

# Ti Amo

## Phoenix

Let me tell you what it is  
Do you mind if I do?  
I know I can be honest with you '  
Cause I don't like it as it is  
I don't like it as it is  
A disaster scenario  
So don't look at what you did  
This melted Gelato  
Love you! Ti amo!  
Je t'aime! Â;Te quiero!  
It's not love but wait  
I'll be standing by the jukebox  
Champagne or Prosecco?  
I was playing classics by the Buzzcocks  
Battiato and Lucio  
Love you! Ti amo!  
Je t'aime! Â;Te quiero  
Open up your legs  
Don't tell me, don't tell me no  
Don't tell me, don't tell me no no  
Don't tell me, don't tell me no I'll say Ti amo till we get along  
Don't tell me, don't tell me no  
Don't tell me, don't tell me no I'll say Ti amo till we get along  
You don't mind it as it is  
Bonanza, che bello!  
Well I'll show you how to win  
My festival di Sanremo  
Love you! Ti amo!  
Je t'aime! Â;Te quiero!  
It's not over yet  
Now I'm looking like the bad cop  
Sunbathing in Rio  
Switching unsophisticated soft rock  
To Beethoven's Concerto  
Love you! Ti amo!  
Je t'aime! Â;Te quiero!  
Open up your legs  
Don't tell me, don't tell me no  
Don't tell me, don't tell me no no

Don't tell me, don't tell me no  
I'll say Ti amo till we get along  
Don't tell me, don't tell me no  
Don't tell me, don't tell me no no  
Don't tell me, don't tell me no  
I'll say Ti amo till we get along  
Ça y est c'est fini  
Je veux croire que le meilleur est à venir  
Je sais que le pire l'est aussi  
Alors laisse-moi compter les moutons Chanter nos chansons, répéter à l'unisson
