

Blank Space

KIDZ BOP Kids

Nice to meet you, where you been?
I could show you incredible things
Magic, madness, heaven, sin
Saw you there and I thought
Oh my Gosh, look at that face
You look like my next first date
Love's a game, that we play (Hey) No money, suit and tie
I can read you like a magazine
Ain't it funny, rumors fly
And I know you heard about me
So hey, let's be friends
I'm dying to see how this one ends
Grab your backpack and my hand
I can make the bad days good for a weekend So it's gonna be forever
Or it's gonna go down in flames
You can tell me when it's over
If it all was worth the pain
Got a long list of some others
They'll tell you I'm to blame
'Cause you know I love the haters
And you love the game 'Cause we're young and we're reckless
We'll run this way too far
It'll leave you breathless
Or with a nasty scar
Got a long list of some others
They'll tell you I'm to blame
But I've got a blank space, baby
And I'll write your name Cherry lips, crystal skies
I could show you incredible things
Stolen kisses, pretty eyes
You're the King, baby, I'm your Queen
Find out what we want
Be that way for a month
Wait, the worst is yet to come, oh no Now I'm crying perfect storms
I can make all the tables turn
Rose garden filled with thorns
Keep you second guessing like
"Oh my Gosh, who is she?"
I get lost on jealousy

But you'll come back each time you leave
'Cause, darling, It's a nightmare dressed like a daydream So it's gonna be forever
Or it's gonna go down in flames
You can tell me when it's over
If it all was worth the pain
Got a long list of some others
They'll tell you I'm to blame
'Cause you know I love the haters
And you love the game 'Cause we're young and we're reckless
We'll take this way too far
It'll leave you breathless
Or with a nasty scar
Got a long list of some others
They'll tell you I'm to blame
But I've got a blank space, baby
And I'll write your name So it's gonna be forever
Or it's gonna go down in flames
You can tell me when it's over
If it all was worth the pain
Got a long list of some others
They'll tell you I'm to blame
'Cause you know I love the haters
And you love the game 'Cause we're young and we're reckless
We'll take this way too far
It'll leave you breathless
Or with a nasty scar
Got a long list of some others
They'll tell you I'm to blame
But I've got a blank space, baby
And I'll write your name
