Let Me Give You More

Molella

Girl I'm wondering how does it feel
To be so fine and I was hopping that
After tonight you will be mine.

I'm looking at you on the dancefloor
Right now girl I want you more!
Girl I gladly take a bullet
The trigger you can pull it
Cuz you're what I came in here for oh oh!

Girls so fly checking out to guys
As the beat goes on with the flashing lights
And the drinks on ice got me hipnotized
Close my eyes feeling good inside!

Just let me give you more
(Is a take down, is a take down)
Just let me give you more
(Is a shake down, is a shake down)
Just let me give you more
(Is a break down, is a break down)
Let me give you more
(Let me give you more).

Girl I'm wondering how does it feel
To be so fine and I was hopping that
After tonight you will be mine.

I'm looking at you on the dancefloor
Right now girl I want you more!
Girl I gladly take a bullet
The trigger you can pull it
Cuz you're what I came in here for oh oh!

Girls so fly checking out to guys
As the beat goes on with the flashing lights
And the drinks on ice got me hipnotized
Close my eyes feeling good inside!

Just let me give you more

(Is a take down, is a take down)
Just let me give you more
(Is a shake down, is a shake down)
Just let me give you more
(Is a break down, is a break down)
More more more
(Let me give you more).

Just let me give you more
Just let me give you more
Just let me give you more
Just let me give you more
Just let me give you more
Just let me give you more.
Let me give you more.

Girls so fly checking out to guys
As the beat goes on with the flashing lights
And the drinks on ice got me hipnotized
Close my eyes feeling good inside!

Just let me give you more
(Is a take down, is a take down)
Just let me give you more
(Is a shake down, is a shake down)
Just let me give you more
(Is a break down, is a break down)
More more more
(Let me give you more).
