

Venus And Mars

[Sarah Brightman](#)

Standing in the hall of the great cathedral
Waiting for the transport to come
Starship 21ZNA9
A good friend of mine
Studies the stars
Venus and Mars are alright tonight Come away on a strange vacation
Holiday has hardly begun
Run into a good friend of mine
Sold me her sign,
Reach for the stars
Venus and Mars are alright tonight Sitting in the stand of the sports arena
Waiting for the show to begin
Red lights, green lights, strawberry wine
A good friend of mine
Follows the stars
Venus and Mars are alright tonight.
