

# Don't Tell Me It's Love

Marc Anthony

We've been over this before  
And I'm sensing you want more  
I don't need someone who complicates me And it's not that I don't care  
But there's some things I can't share  
Girl, I told you I'm not there Girl, the world's been down on me  
I don't need someone to own me  
Girl, a lover is all I need  
I'm the one who needs to hold me Since I met you, I've been hearing the same thing  
And it seems it's all we talk about lately  
So before you go out on the limb  
Don't tell me it's love It's that look in your eyes that betrays me  
And the things that you do to amaze me  
So before you go sayin' you love me  
Don't tell me it's so What I'm offering's what you see  
I'm giving you my honesty  
And I'm sorry if it hurts to hear the truth And maybe I will find in time  
That all along, girl, you were right  
That I should have made you mine But for now I still believe  
That I don't need someone to own me  
Just a lover is all I need  
And someone who's gonna hold me Since I met you, I've been hearing the same thing  
And it seems it's all we talk about lately  
So before you go out on the limb  
Don't tell me it's love It's that look in your eyes that betrays me  
And the things that you do to amaze me  
So before you go sayin' you love me  
Don't tell me it's so Since I met you, I've been hearing the same thing  
And it seems it's all we talk about lately  
So before you go out on the limb  
Don't tell me it's so It's that look in your eyes that betrays me  
And the things that you do to amaze me  
So before you go sayin' you love me  
Don't tell me it's so Since I met you, I've been hearing the same thing  
And it seems it's all we talk about lately  
So before you go out on the limb  
Don't tell me it's love It's that look in your eyes that betrays me  
And the things that you do to amaze me  
So before you go sayin' you love me  
Don't tell me it's so Since I met you, I've been hearing the same thing

And it seems it's all we talk about lately  
So before you go out on the limb  
Don't tell me it's love It's that look in your eyes that betrays me  
And the things that you do to amaze me  
So before you go sayin' you love me  
Don't tell me it's so
