Gotta do a dance
And it goes like thisYeah, some little girls got a hold on me
She's only 13 but, oh, so sweet
Got me down on my knees
Got a stranglehold on meShe puts her arms around me like a vice
It's, oh, so painful but nice
But I can only take once or twice
Got a stranglehold on meGot a stranglehold on me
Got a stranglehold on me
Got a stranglehold on me
