We're From Barcelona

I'm from Barcelona

I'm gonna sing this song with all of my friends
And we're I'm from Barcelona
Love is a feeling that we don't understand
But we're gonna give it to yaWe'll aim for the stars
We'll aim for your heart when the night comes
And we'll bring you love
You'll be one of us when the night comesI'm gonna sing this song with all of my friends
And we're I'm from Barcelona
Love is a feeling that we don't understand
But we're gonna give it to yaWe'll aim for the stars
We'll aim for your heart when the night comes
And we'll bring you love
You'll be one of us when the night comesWe'll aim for the stars
We'll aim for your heart when the night comes
And we'll bring you love
You'll be one of us when the night comesBut we're gonna give it to ya
But we're gonna give it to ya
