Stop, Look, Listen (to Your Heart)

Marvin Gaye

You're alone all the time
Does it ever puzzle you, have you asked why?
You seem to fall in love out again
Do you ever really love or just pretend?
Why fool yourself?
Don't be afraid to help yourself
It's never too late, too late to
Stop, look, listen to your heart, hear what it's saying
Stop, look, listen to your heart, hear what it's saying
Love, love, love
Though you try, you can't hide
All the things you really feel, this time decide
That you will open up, let it in

There's no shame in sharing love you keep within
So jump on in
Head over heels and fall right in
It's never too late, too late to
Stop, look, listen to your heart, hear what it's saying
Stop, look, listen to your heart, hear what it's saying
Love, love, love
Stop, look, listen to your heart, hear what it's saying
(Listen to your heart, can't you see it's not too late?)
Stop, look, listen to your heart, hear what it's saying
Stop, look, listen to your heart, hear what it's saying
(Listen to your heart, can't you see it's not too late?)
