

# Incubus (feat. Douglas McCarthy)

## Recoil

Every time I think I'm gonna wake up  
Back in the jungle  
Every minute I stay in this room  
I get weaker  
Each time I looked around  
The walls moved in a little tighter I've never seen a man so broken up  
Ripped apart  
They say my name is death  
I've never seen a man so broken up  
Ripped apart  
But I'm alive, I am alive  
I've never seen a man so broken up  
Ripped apart  
I am born ten thousand times  
I've never seen a man so broken up  
Ripped apart  
Ten thousand ways, I'm alive I am the shadow  
I am the evening come  
I am your greatest fear  
Your greatest love Born in ten thousand ways  
For each and every day  
I am alive I am the victim of lying morality  
And so, I am beyond caring  
I am born ten thousand times  
In ten thousand ways  
My head swims in spoiled mothers milk  
I am too alive  
There are too many of me,  
Too many to kill  
They're in my head  
They know my name  
My name is death but I am alive,  
I am alive
