

More No More

[Matt Pond PA](#)

I never meant to blow the fire out
Some of us stumble with our mouths
But if the left hand knows what the right hand knows
Then the arms will lead and the body follows I've been a friend of doubt
I don't know doubt, not anymore
No more, no more, no more, not anymore I never made anything easy
Out on the weekend, see me fall
But if the left leg rolls and the right leg rolls
Then we'll make our way out of the shadows
I have hung out with doubt
I don't know doubt, not anymore
No more, no more, no more, not anymore Upside down, the wrong end of the bed
All the coats and clothes are flying overhead
Upside down, the wrong end of the bed
All the coats and clothes are flying overhead
I always meant to blow the fire out
Most of us stumble with our mouths
So if the top lip knows what the lower lip knows
Then we'll sing our way out of the shadows I used to live with doubt
I don't know doubt, not anymore
No more, no more, no more, not anymore
