You

Five Finger Death Punch

I'm never gonna live, never gonna give
Never gonna die your way
Fuck No! Go away!
Never gonna try, never wonder why, never gonna change
No, say it, what
Never understand, never gave a damnNever see it through your eyes
Fuck you, no way
Never understand,
Never lend a hand
Never see it through my eyesThere's a fire within
Hate to admit it but always knew
Violence and sin,
Keeps me fearless
Keeps me from beingYou, so dated
You, outdated
You, so fading away
You, can't take it
You, just fake it
You, are just in my way
I don't give a fuck about you!I'm never gonna quit, never gave a shit
Never gonna walk away
Fuck you all day!
Never gonna drop, never gonna stop, never gonna fall
No, what, say it
Never understood, never really could
Never saw it through your eyes
Fuck off, no way!
Never understand, never give a damn,
Never gonna change my mindThere's a fire within
Hate to admit it but always knew
Violence and sin, keeps me fearless
Keeps me from beingYou, so dated
You, outdated
You, so fading away
You, can't take it
You, just fake it
You, are just in my way
I don't give a fuck about you!What!
Stand the fuck up!I don't give a fuck about you!You, so dated

You, outdated
You, so fading away
You, can't take it
You, just fake it
You, are just in my wayYou, so dated
You, outdated
You, so fading away
