

Creative Killings

Sinister

Afflicted and obsessed by
The new domestic patterns
Perverted lust and pleasure
A dome of fresh salvation
Weakened fear and pride
Takes hold of the disorder
Collected slaves of resurrection
Saviours of this timeSlaves of resurrection
Perverted lust and pleasure
Afflicted and obsessedDying on command
While the war is long forgotten
Residence of sexual prime
The urge is not forgotten
Panic strikes again
Self control is long forgotten
Collected slaves of resurrection
Saviours of this timeCreative killings
Plague of mankind
Creative killingsSlaves of resurrection

Replaced by devastation
Relic of possession
Death in the abyss
