

# Don't Let Me Go

## Westlife

So much to say, but where do I start  
Would you listen if I spoke from the heart  
It's simple things, that keep us apart  
You know it doesn't have to be this way Can't you hear it in my voice?  
(Oh baby)

Gotta listen when I say Don't let me go when I'm this low  
Why can't we talk about it?  
Why can't we figure it out?  
I wanna know as people grow  
How do they sort it all out?  
Work out what love is about?  
So tell me now yeah I've gotta know  
When this feeling I've got won't let go Some people stop, and some people stare  
I'm hearing whispers that you no longer care  
Should I stay, should I turn away  
Stop playing games now you know it's not fair oh baby Can't you hear it in my voice?  
(Oh baby)

Gotta listen when I say Don't let me go when I'm this low  
Why can't we talk about it?  
Why can't we figure it out?  
I wanna know as people grow  
How do they sort it all out?  
Work out what love is about?  
So tell me now yeah I've gotta know  
When this feeling I've got won't let go You make me think I've got this feeling for you  
I've tried so hard, won't you listen to me?  
(Listen to me)

'Cause we can make it we can see this through  
Let me start by telling you Don't let me go when I'm this low  
Why can't we talk about it?  
Why can't we figure it out?  
I wanna know as people grow  
How do they sort it all out?  
Work out what love is about Don't let me go when I'm this low  
Why can't we talk about it?  
Why can't we figure it out?  
I wanna know as people grow  
How do they sort it all out?  
Work out what love is about

So tell me now yeah I've gotta know  
When this feeling I've got won't let go  
Don't let me go
