

# Concerning The Ufo Sighting Near Highland, Illinois

[Sufjan Stevens](#)

When the revenant came down  
We couldn't imagine what it was  
In the spirit of three stars  
The alien thing that took its form

Then to Lebanon, oh, God!  
The flashing at night, the sirens grow and grow  
(Oh history involved itself)  
Mysterious shade that took its form (or what it was!)  
Incarnation, three stars  
Delivering signs and dusting from their eyes
