

Generator

Elastica

I'm a sonic generator
It's as far as I can take it
Aren't you glad that I can make it
Oh, oh, in the moneyBaby put your arms around me
Aren't you glad that you have found me
You want it? I've got it
Oh, oh, on and on itI'm a self taught regulatorEeny meeny miney moaner
Catch a poet by the toga
You want it? I've got it
Oh, oh, on and on itI'm a spastic generator
It's as far as I can take it
I was lyin'
[Incomprehensible] cocoa butterI'm so, dead in the waterI'm a third rate imitator
I'm a second hand fornicator
I'm a spastic generatorSee you later, alligator
