

# Discover (feat. RKCB)

[k?d](#)

[Verse 1: RKCB]

Take off into the open  
When you are feeling scared  
And fake talk won't bring you closer  
So before you lose your air[Pre-Chorus: RKCB]

It's not really like you  
To hold your breath behind  
Take my open eyes  
You don't know what you'll find

Cause it's not really like you  
To keep this all inside  
I know you're trying  
I know you're trying

[Chorus: RKCB]

Look around and discover  
Ooh, ooh, ooh, ooh  
Look around  
Look around  
Look around and discover  
Every hedge

Keep your head higher than the rest  
See what you desire 'til the end[Verse 2: RKCB]  
Day and night, you're pulling the sheets back  
Off of your secrets, now  
And if you take your time, it'll end up in your hands  
And then you'll understand, understand

[Pre-Chorus: RKCB]

It's not really like you  
To hold your breath behind  
Take my open eyes  
You don't know what you'll find

Cause it's not really like you  
To keep this all inside  
I know you're trying  
I know you're trying

I know what it's like to  
Leave it all behind  
Deep beneath the surface  
Nothing left to hide

You can break the cycle  
Cut the string you're tied to  
I know you're trying  
I know you're trying[Outro: RKCB]  
Look around and discover  
Ooh, ooh, ooh  
Look around  
Look around
