Sunshine

Enchantment

Ooh ooh, ooh ooh
Baby yea
Ooh ooh, ooh ooh

Hello sunshine
It's mighty good to see you doing fine
And although, it's been a long, long time
I still find that you're heavy on my mind

And Oh, I see you still looking good baby
Just, like I knew you would
But there's only one thing wrong
I don't see you any night when I get home

My sunshine has faded away
My sunshine has faded away baby
My skies are cloudy and grey
And my skies are cloudy and grey baby
(And i can't stop these tears)
I can't stop these tears from falling from my eyes
From my eyes yea yea from my eyes
Yea yea yea yea
Missing you

Hello love child
I see you still got your pretty smile
Tell me is it true what they say baby
That you're married and have a baby on the way

And oh here I stand Just a half of a man
Just holding on the best I can
And I know this might be the wrong thing to say
But without your love
I can't face another day

Sunshine has faded away
Sunshine has faded away baby
My skies are cloudy and grey
Ooh skies are cloudy and grey baby
And I can't stop these tears

I can't stop these tears from falling
From my eyes from my eyes
From my eyes yea yea from my eyes
Yeaah yea yea yea
I'm missing you baby

Hey baby hey hey
Sunshine has faded away
Faded away baby
And my skies are cloudy and grey
Oh skies are cloudy and grey baby
And I can't stop these tears from my eyes
I can't stop these tears from falling
From my eyes yea yea
Been so long since you been away baby
I still miss her more and more each and every day
