

# Senseless

## Erasure

Go ahead, get captivated  
Will you ever give your secrets away?  
My mind says it's gonna drive me senseless  
But it's only tunnel vision  
It's only state of mind It's alright  
It's alright to make the move  
It's alright  
Get there, stay there  
Babe it's alright  
It's alright to feel the mood  
It's alright  
So good, so fine  
Babe it's alright There has to be  
Some kind of harmony  
To keep the maddening  
Silence away  
So hang on, we'll be moving on  
'Cause it's only your confusion  
That's keeping us behind It's alright  
It's alright to make the move  
It's alright  
Get there, stay there  
Babe it's alright  
It's alright to feel the mood  
It's alright  
So good, so fine  
Babe it's alright It's alright  
It's alright to make the move  
It's alright  
Get there, stay there  
Babe it's alright  
It's alright to feel the mood  
It's alright  
So good, so fine  
Babe it's alright Got there, babe better stop there  
Inhibition's slipping away  
Stay there, got a lot that we can share  
I found out the secret  
Was only state of mind It's alright

It`s alright to make the move  
It`s alright  
Get there, stay there  
Babe it`s alright  
It`s alright to feel the mood  
It`s alright  
So good, so fine  
Babe it`s alrightIt`s alright  
It`s alright to make the move  
It`s alright  
Get there, stay there  
Babe it`s alright  
It`s alright to feel the mood  
It`s alright  
So good, so fine  
Babe it`s alright
