

Auld Lang Syne

Barenaked Ladies

Should Auld acquaintance be forgot
And never brought to mind?
Should Auld acquaintance be forgot
And days of Auld Lang SyneFor Auld Lang Syne, my dear
For Auld Lang Syne
We'll take a cup of kindness yet
For Auld Lang SyneAnd here's the hand, my trusty friend
And gives a hand of thine
We'll take a cup of kindness yet
For Auld Lang SyneFor Auld Lang Syne, my dear
For Auld Lang Syne
We'll take a cup of kindness yet
For Auld Lang SyneFor Auld Lang Syne, my dear
For Auld Lang Syne
We'll take a cup of kindness yet
For Auld Lang SyneFor Auld Lang Syne, my dear
For Auld Lang Syne
We'll take a cup of kindness yet
For Auld Lang SyneWe'll take a cup of kindness yet
For Auld Lang Syne
