

Love Song

Maoli

CHORUS:

baby can i write you a love song
then i can sing it to you all night long
baby can i write you a love song
i know your gunna love it baby
so let me play you a love song

VS 1:

i could sing about the smile you wear
i could sing about the way you care for me
i could sing about the way i feel
girl what we have baby , you know is real
no one know how much you mean to me
with out you here ill be in misery

CHORUS:

baby can i write you a love song
then i can sing it to you all night long
baby can i write you a love song
i know your gunna love it baby
so let me play you a love song

VS 2:

i could sing about you and i
and how we always had the best of times
i could sing about just being together
and how we love each other forever
and tonight a lot of satisfaction
cause when im with you i know you are the only one

know i really care for you
and i want you to know
its nothings a waist of time
if your right here by my side

CHORUS:

baby can i write you a love song
then i can sing it to you all night long
baby can i write you a love song
i know your gunna love it baby

so let me play you a love song
