

# Black Maria

Todd Rundgren

Black Maria, you scare me so  
I feel as though my heart stopped dead  
You're a liar, this I know  
I watch you go around my head Oh, I'm going down slow, you scare me so  
Oh, you never let go, you scare me so Gay deceiver, my eyes, they burned  
My insides turned, my brain, it rolled  
Unbeliever but now I've learned  
I took my turn, I come up cold Oh, I'm going down slow, you scare me so  
Oh, you never let go, you scare me so If you must kill me, please let me die Black Maria, you scare me so  
I feel as though my heart stopped dead  
You're a liar, this I know  
I watch you go around my head Oh, I'm going down slow, you scare me so  
Oh, you never let go, you scare me so If you must kill me, please let me die
