Devil's Child

Airbourne

Hypnotize me, mesmerize me Feel my willpower slip Light my fire with cold desire Losing all my grip Eat my diamonds Drinking all my gin Feast your eyes on A whole lotta sin Oh no, you're so damned wicked You got me by the throat Oh no, gotcha claws stuck in me You never let me go I believe you're the devil I believe you're the devil's child I believe you're the devil I believe you're the devil's child Took my dreams and now it's seems You're nothing but a liar Smash and grab at all I had Build my funeral pyre Stop pretendin' Got me growin' old Your tormentin' is Fit to snap my soul Oh no, you're so damned wicked You got me by the throat Oh no, gotcha claws stuck in me You never let me go I believe you're the devil I believe you're the devil's child I believe you're the devil I believe you're the devil's child You took my heart and left it blown to smithereens I gave my body as a slave You cut my flesh and drank my blood that poured in streams I'm left here broken and ashamed Goin' under, hear the thunder Death defying grace Your condition breeds ammunition

Shoots me in the face Vicious talkin' Stabs me like a knife Scratched and bruised, so abused I'm a human sacrifice Oh no, you're so damned wicked You got me by the throat Oh no, you gotcha claws stuck in me You never let me go I believe you're the devil I believe you're the devil's child I believe you're the devil I believe you're the devil's child I believe you're the devil I believe you're the devil's child I believe you're the devil I believe you're the devil's child I believe you're the devil I believe you're the devil's child I believe you're the devil I believe you're the devil's child I can't stand any any anymore
