

# Lay Me Down

## Under The Influence of Giants

Wondering how, I figured it out,  
That I just waited for you there.  
Wondering how, I figured it out,  
Now I'm just stuck inside your stare.  
Wondering how, you figured me out,  
I'm just a nobody who cares You say loves a flow  
Only I can say so. All right, okay  
Lay me down.  
She's good,  
All time, all around.  
All right, okay  
Lay me down. Oohhh... Give me a sign,  
Say it's okay  
Need it to make it through the day  
Give me your hand,  
Sell me your soul.  
I need it so I can feel controlled Say love's a flow, oh  
Only I can say so, oh All right, okay  
Lay me down.  
She's good,  
All time, all around, ohh  
All right, okay  
Lay me down. Singing, ohh... Baby, you can bring me down,  
If only I can make you frown.  
Baby, you can bring me down,  
I promise not to make a sound. All right, okay  
Lay me down.  
If she's good,  
All time, all around.  
All right, okay  
Lay me down.  
If she's good,  
Then all I got is sound All right, okay  
Lay me down.  
If you know, if she's good  
Then all I got is sound Alright, okay  
Lay me down  
No, no...
