

# Dancehall

## Blur

There are ghosts in herean easy laze  
They dance all night  
With a vacant gaze  
They stand in rows  
And buy alcohol  
We're having fun at the dancehall I've got my pills and I've got my toys  
spin-up girls and pin-up boys  
My lips are frozen to another can  
I could kill him, but I just kiss his hand
