

# The Chase

Nicholas Kirk

Tori:

Out there are hunters

Anabelle:

Let's say predators

Tori:

I have weapons

That could destroy them

Anabelle:

You must out-create

It's the only way

I am the hunter

And the hunted

Joined together

Tori:

You create duality

Anabelle:

And neutrality

I must leave you

With the Fire muse

Show her the riddle

It is serious

If you lose

Out there

Tori:

I'll be the hare

Anabelle:

Then I'm the greyhound

Chasing after you

Tori:

Then I will change my frequency

To a fish that thinks

Anabelle:

Then you will find yourself

In the paws

Of the otter

Near her jaws

Tori:

Then I'll grow my wings

As a flying thing  
Anabelle:  
Flying thing, you be warned  
I'm the falcon  
Tori:  
Watch me change  
Into a grain of corn  
Anabelle:  
A grain of corn  
Hear the alarm  
In your head  
I'm the hen  
Black and red  
And you're in my barn  
They would have won  
Use your head or you'll be dead
