

Not Afraid

G Spliff

i know you can't help it
i know you can feel it around
but i'm not afraid, anymore, so you can go
you can go far away

i know you can break it down
i know you can break it down
i know you can break it
i know you can break it

i know you can break it down
i know you can break it down
i know you can break it
i know you can break it
