Undone

Revelation Theory

Fate, it never followed me
Until now, I never wanted it to
(Take me, I'm caving)
I always wanted it to
(Save me, I'm waiting)
I wanted everything and now
You gave it away and I've come undone
Thinking of you, I can't let it go
You took it away now I've become
Empty, waiting for you to pull me up
So you came back underrated
It feels like I always wanted you to
(Force me, I'm caving)
I've seen the world around, I've
(Turned in and hated)
I've fucked up everything till now
You gave it away and I've come undone
Thinking of you, I can't let it go
You took it away, now I've become
Empty, waiting for you to pull me up
You gave it away and I've come undone
If you tear out my eyes
Would I still feel you there?
And if you tear out my eyes
Could I still feel?
(Lies)
You came into my
(Life)
All I see are
(Lies)
You came into my
(Life)
All your fucking
(Lies)
Every fucking
(Time)
All your fucking
(Lies)
Every fucking time

You gave it away and I've come undone
Thinking of you, I can't let it go
You took it away now I've become
Empty, waiting for you to pull me up
You gave it away and I've come undone
Thinking of you and I can't let it go
I can't let it go
I can't let it go
I can't let it go
