

Everybody But Me (Rocca's Christoffer Remix)

[Lykke Li](#)

Ooh, I'm standing in the corner
Thinking all I want to
What am I to do?
Should I go home still sober
Should I buy me another glass of wine
And forget about time Though my jeans are too tight
Don't feel like dancing
And all this light is too bright
Don't feel like shining
Though this room is too small
I'd rather stand against the wall
And hope that no one sees me And everybody's dancing
I don't want to
And everybody's toying
I don't want to
And everybody's laughing
I don't want to
Everybody but me And everybody's drinking
I don't want to
And everybody's using
I don't need more
And everybody's floating
I don't want to
Everybody but me, yeah I get the creeps from all the people in here
I cannot breathe, it's too crowded in here
Don't look at me
I don't wanna be seen touched heard bothered
By the fellas who got a look in their eye
They wanna take me home without knowing my name
They wanna put me on
But do they not know is that I'm not like the others And everybody's dancing
I don't want to
And everybody's toying
I don't want to
And everybody's laughing
I don't want to
Everybody but me And everybody's drinking
I don't want to
And everybody's using

I don't need more
And everybody's floating
I don't want to
Everybody but meAnd everybody's dancing
I don't want to
And everybody's toying
I don't want to
And everybody's laughing
I don't want to
Everybody but meAnd everybody's drinking
I don't want to
And everybody's using
I don't need more
And everybody's floating
I don't want to
Everybody but me
