Bliss

Mel Jade

You take me to your heaven
When I'm in your presence
Don't you know that you got something kinda holy bout ya?
Meet me in the garden
I got the key to get in
Because oh yeah it just feels so damned divine around ya.
Birds of paradise open
Palms trees, jasmine,
Bloom and say hey sup when I am walking by ya.
I think you look like a god
Butterflies are goin' off
And I know that you can feel it too now don't ya don't ya?PRE-CHORUS
You feel like summer
You feel like lightning, it's frighting, I want more.
I feel a power
Like I'm invincible, spiritual, never before.
Whenever you are near
You make me feel like this.(You make me feel like this.)CHORUS
You make me feel like bliss.
(Bliss, bliss, bliss, bliss)
You make me feel like this.You light up the whole world
You're on another level
Don't you know that you got something so sublime about ya?
I don't understand why
But you make me feel live
And alright, so high, you know that I feel something with ya.
I can smell the perfume
I can smell it on you
Eden, Shangri La, Utopia and Arcadia.
I think you're looking like sin
With heaven under you skin
And I know that you can see it too so come up closer.PRE-CHORUS
You feel like summer
You're like an earthquake, the worlds shaking, gimme more.
I feel a power
Like we are royalty, above it, never before.
Whenever you are near
You make me feel like this.(You make me feel like this.)CHORUS
You make me feel like bliss.

(Bliss, bliss, bliss, bliss)
Higher and higher and higher.
Higher and higher and higher.
I'm floating.
I'm floating.
You make me feel like this.
