Drop The Game (The Golden Pony Remix)

Flume & Chet Faker

I've been seeing all, I've been seeing your soul
Give me things that I've wanted to know
Tell me things that you've done
I've been feeling old, I've been feeling cold
You're the heat that I know
See, you are my sunOh oh oh oh ohHush, I said there's more to life than rush
Not gonna leave this place with us
Drop the game, it's not enough
Hush, I said there's more to life than rush
Not gonna leave this place with us
Drop the game, it's not enough
I've been seeing all, I've been seeing your soul
Give me things that I've wanted to know
Tell me things that you've done
I've been feeling old, I've been feeling cold
You're the heat that I know
See, you are my sunOh oh oh oh ohI've been seeing all, I've been seeing your soul
Give me things that I've wanted to know
Tell me things that you've done
I've been feeling old, I've been feeling cold
You're the heat that I know
See, you are my sunOh oh oh oh oh
I've been seeing all, I've been seeing your soul
Give me things that I've wanted to know
Tell me things that you've done
I've been feeling old, I've been feeling cold
You're the heat that I know
See, you are my sun
Oh oh oh oh oh
