

# Lullabye

## Grizzly Bear

Glass of gin and a folding chair  
Sitting out by the wading pool  
Chlorine blue  
Rush of wind passing over me  
Restless nights  
Restless nights  
Restless nights  
Chin up, cheer up  
Chin up, cheer up  
Chin up  
Chin up, cheer up  
Chin up, cheer up  
Chin up  
Chin up, cheer up  
Chin up, cheer up  
Chin up  
Chin up, cheer up  
Chin up, cheer up

Chin up  
My love's another kind  
My love's another kind  
My love's another kind  
Chin up, cheer up  
Chin up, cheer up  
Chin up  
Chin up, cheer up  
Chin up, cheer up  
Chin up  
Chin up, cheer up  
Chin up, cheer up  
Chin up  
Chin up, cheer up  
Chin up, cheer up  
Chin up  
My love's another kind  
My love's another kind
