

# Proud to Be Dead

## Defleshed

Here at the end of the grave  
Like a premature sleep  
The result of the brave Proud to be Dead We'll search through infinity  
And revenge with our trinity  
With the power of a million horses  
We are the mightiest of forces Proud to be Dead  
Solid like a group of hundred men  
They'll seem like only ten  
When we're back for them again Now our death-tour begins  
We'll bring back the head  
Of the comittor of the sins  
A feeling of akward self-esteem  
Our promise we'll redeem  
How unstable that may seem Proud to be Dead  
We've came to pay respect  
Your death we will revenge  
Where you lay I suspect  
That you'll be Proud to be Dead
