

# Please Stay

Warren Zevon

Please stay, please stay  
Two words I've never thought  
I'd learn to say  
Don't go away, please stay Don't leave me here  
When so many things  
So hard to see are clear  
I need you near to me Will you stay with me to the end?  
When there's nothing left  
But you and me and the wind  
We'll never know till we try  
To find the other side of goodbye  
Oh, sweet darlin' Will you stay with me to the end?  
When there's nothing left  
But you and me and the wind  
We'll never know till we try  
To find the other side of goodbye Please stay, please stay  
Two words I've never thought  
I'd learn to say  
Don't go away, please stay  
Please stay
