Servant

Hanni El Khatib

I wanna be your servant
but don't makeme
I'll be your foot stool
If you let meI really wanna say I don't love you
But I don't know if I can
I really wanna struggle with you
Remember that your dealing with menPeace of mind ain't coming soon
Listening up inside of you
Suck my tongue right out my mouth
Can you show me who I am nowI wanna be your servant
I ain't a lawyer
I ain't a doctor
I ain't no scholar
Sure ain't your fatherI really wanna trust myself girl
I really want trust in lust
I don't think that I'm being unfair girl
So why you leave me here to rustPeace of mind aint coming soon
Listening up inside of you
Suck my tongue right out my mouth
And you show me who I am nowI wanna be your servantI wanna be your servantI wanna be your servant
So tell me what to doI wanna be your servant
I wanna be your servant
Tell me what to doPeace of mind aint coming soon
Listening up inside of you
Suck my tongue right out my mouth
And you show me who I am nowI wanna be your servant
