

# Defying Gravity

Kristin Chenoweth

Elphaba, why couldn't you have stayed calm for once  
Instead of flying off the handle I hope you're happy  
I hope you're happy now  
I hope you're happy how you  
Hurt your 'cause forever  
I hope you think you're clever I hope you're happy  
I hope you're happy, too  
I hope you're proud how you  
Would grovel in submission  
To feed your own ambition So though I can't imagine how  
I hope you're happy right now Elphie, listen to me, just say you're sorry  
You can still be with the Wizard  
What you've worked and waited for  
You can have all you ever wanted I know  
But I don't want it  
No, I can't want it  
Anymore Something has changed within me  
Something is not the same  
I'm through with playing by the rules  
Of someone else's game Too late for second guessing  
Too late to go back to sleep  
It's time to trust my instincts  
Close my eyes and leap It's time to try  
Defying gravity  
I think I'll try  
Defying gravity  
And you can't pull me down Can't I make you understand?  
You're having delusions of grandeur I'm through accepting limits  
'Cause someone says they're so  
Some things I cannot change  
But till I try, I'll never know Too long I've been afraid of  
Losing love I guess I've lost  
Well, if that's love  
It comes at much too high a cost I'd sooner buy  
Defying gravity  
Kiss me goodbye  
I'm defying gravity  
And you can't pull me down Glinda, come with me  
Think of what we could do together Unlimited, together we're unlimited

Together we'll be the greatest team  
There's ever been, Glinda  
Dreams, the way we planned 'em  
If we work in tandem There's no fight we cannot win  
Just you and I  
Defying gravity  
With you and I  
Defying gravity  
They'll never bring us down  
Well? Are you coming? I hope you're happy  
Now that you're choosing this  
You too  
I hope it brings you bliss I really hope you get it  
And you don't live to regret it  
I hope you're happy in the end  
I hope you're happy, my friend So if you care to find me  
Look to the western sky  
As someone told me lately  
"Ev'ryone deserves the chance to fly" And if I'm flying solo  
At least I'm flying free  
To those who'd ground me  
Take a message back from me Tell them how I am  
Defying gravity  
I'm flying high  
Defying gravity  
And soon I'll match them in renown And nobody in all of Oz  
No Wizard that there is or was  
Is ever gonna bring me down I hope you're happy  
Look at her, she's wicked  
Get her Bring me down  
No one mourns the wicked  
So we've got to bring her  
Ahh, down
