

Telepathy (feat. Nile Rodgers) [Le Youth Remix]

Christina Aguilera

You know how to read my mind
I'm lost and it's you I find
Rush into my side
You hold me tight
I know when to take hint
I know when you're feeling babe
Make you feel you can't feel like a man
And when you're feeling blue I know
It's better to give you all my love 'Cause I know you, yeah I know you
I got your back, I do
Boy you keep me safe from harm
Ooh, you take me in your arms
You know me, yeah you know me, you got telepathy
I got you, and you got me
You know me, yeah you know me, you got telepathy
Yeah I got you, and you got me
You know me, yeah you know me, you got telepathy Oh oh oh
Oh oh oh
I know you and you know me, we got telepathy
Oh oh oh
Oh oh oh
I know you and you know me, we got telepathy You know how to read my mind
I'm lost and it's you I find
Rush into my side to hold me tight
You hold me tight
And I know when to take hint
And I know what you're feeling babe
Make you feel you can't feel like a man, feel like a man Boy you keep me safe from harm
Ooh, you take me in your arms
You know me, yeah you know me, you got telepathy
I got you, and you got me
Yeah I know you and you know me, we got telepathy
Yeah I got you, and you got me
Yeah I know you and you know me, we got telepathy Oh oh oh
Oh oh oh
I know you and you know me, we got telepathy
Oh oh oh
Oh oh oh
I know you and you know me, we got telepathy Oh oh oh

Oh oh oh
I know you, and you know me
We got together free
Oh oh oh
We got telepathy
