If I Believe You

The 1975

[Verse 1]
Oh God, I feel shameful
That's infecting
And I bet you thought of being alone now
It's pathetic, I know[Pre-Chorus]
And I tossed and I turn in my bed
It's just like I lost my head (lost my head)[Chorus]
And if I believe you
Will that make it stop?
If I told you I need you
Is that what you want?
And I'm broken and bleeding
And begging for help
And I'm asking you Jesus, show yourself[Verse 2]
I thought I met you once or twice
And that was just a case of [?] opening up
My mind, showing me consciousness, its prime we in the universe
And I had a revelation
I'll be your child if you insist
I mean, a bit misuse [?]
You shouldn't have probably made me atheist
I thought I'm ? through your kiss
I'm an evangelist
And if you don't want to go to hell I guess you better start selling this[Chorus]
And if I believe you
Will that make it stop?
If I told you I need you
Is that what you want?
And I'm broken and bleeding
And begging for help
And I'm asking you Jesus, show yourself[Outro]
If I'm lost then how can I find myself?
If I'm lost then how can I find myself?
If I'm lost then how can I find myself?
If I'm lost now then how can I find myself?
If I'm lost now then how can I find myself?
If I'm lost then how can I find myself?
Then how can I find myself?
If I'm lost now then how can I find myself?

Yeah, yeah, yeah
If I'm lost now then how can I find myself?
Yeah, yeah
