

If I Believe You

The 1975

[Verse 1]

Oh God, I feel shameful

That's infecting

And I bet you thought of being alone now

It's pathetic, I know[Pre-Chorus]

And I tossed and I turn in my bed

It's just like I lost my head (lost my head)[Chorus]

And if I believe you

Will that make it stop?

If I told you I need you

Is that what you want?

And I'm broken and bleeding

And begging for help

And I'm asking you Jesus, show yourself[Verse 2]

I thought I met you once or twice

And that was just a case of [?] opening up

My mind, showing me consciousness, its prime we in the universe

And I had a revelation

I'll be your child if you insist

I mean, a bit misuse [?]

You shouldn't have probably made me atheist

I thought I'm ? through your kiss

I'm an evangelist

And if you don't want to go to hell I guess you better start selling this[Chorus]

And if I believe you

Will that make it stop?

If I told you I need you

Is that what you want?

And I'm broken and bleeding

And begging for help

And I'm asking you Jesus, show yourself[Outro]

If I'm lost then how can I find myself?

If I'm lost then how can I find myself?

If I'm lost then how can I find myself?

If I'm lost now then how can I find myself?

If I'm lost now then how can I find myself?

If I'm lost then how can I find myself?

Then how can I find myself?

If I'm lost now then how can I find myself?

Yeah, yeah, yeah
If I'm lost now then how can I find myself?
Yeah, yeah
