Give It All

Kyven

Break through the under toe, your hands I can't seem to find
Pollution burns my tongue
Deaf words I can't speak so I stop my struggling
So I float to the surface, fill my lungs with air then let it outI give it all, now there's a reason why I sing
So give it all, and it's these reasons that belong to meRock bottoms where we live, and still we dig these trenches
To bury ourselves in them, backs breaking under tension
For far too long these voices, muffled by distances
And it's time to come to our senses, up from the dirtWe give it all, now there's a reason why I sing
So give it all, and it's these reasons that belong to meBreathe, the air we give, the life we live, our pulses racing distances
So wet my tongue, break into song, through seas of competition
So please believe your eyes, a sacrifice is not what we had in our minds
I'm coming home tonight, home tonightWe give it all, now there's a reason why I sing
So give it all, and it's these reasons that belong to me
Today I offer up myself to this, I'm living for my dying wish
I give it all, now there's a reason, there's a reason, to give it all
