

# Winter Light

[Sarah Brightman](#)

Hearts call, hearts fall  
Swallowed in the rain  
Who knows, life grows  
Hollow and so vain? Wandering in the winter light  
The wicked and the sane  
Bear witness to salvation  
And life starts over again Now the clear sky is all around you  
Aah, aah  
Love's shadow will surround you  
All through the night Star glowing in the twilight  
Tell me true  
Hope whispers and I will follow  
'Til you love me too Aah, aah, aah, aah  
Aah, aah, aah, aah Now the clear sky is all around you  
Aah, aah  
Love's shadow will surround you  
All through the night Star glowing in the twilight  
Tell me true  
Hope whispers and I will follow  
'Til you love me too Aah, aah, aah, aah
