

How We Be

Sinkane

Oh, you've got life right in the pocket

 Oh, don't you know what I mean?

Oh, you've got life right in the pocket

Oh, it's been out of our sealIt's been some time since I have seen your face

 Seems we both gained some weight

Our eyes dream small now than our mouths these days

Yeah, we be showing our ageBut oh, we've got life right in the pocket

Oh, don't you know what I mean?We had to know the simple things would change

 We knew they'd complicate

You got a place right, never fold on a crooked game

You got a plan anywayWhen the end's coming, we probably won't be around to see it

Better just to follow me, keep on a best behaviorBut oh, we've got life right in the pocket

 Oh, you know what I say

Oh, you don't know what just to say here

 Oh, it's not what you say

Oh, it's not enough just to say it

 Oh, it's in how we be
