9 to 5

Apathy

Oh, punch the clock
Put it on me baby, ain't that much time, oh I
Tic toc, want you to love me like the flowers love the sunlight
Don't stop, oh baby take me and touch me until I pop, ooh
Do that, do that, do that, yeah
Hit that spot like you knew that, yeah
Rock me till I'm clueless, yeah
I'm foolish, yeah
I like when you work me like that, like a 9 to 5
Oh boy, work me like that, make me feel so right
Yeah, yeah, yeah, yeah, yeah, yeah
Oh, it's 5 o'clock
I'm comin' home, I'm runnin' home to relieve the tension
Tic toc, boy I need you like hearts and lyrics need a beat
Before we start want you to know that we belong together
Like [Incomprehensible] and baby now get on top
Ooh, ooh, ooh, ooh, ooh
Do that, do that, do that, yeah

Hit that spot like you knew that, yeah
Rock me till I'm clueless, yeah
I'm foolish, yeah
Work me like that, like a 9 to 5
Oh boy, work me like that, make me feel so right
I'ma make that body feel so good
Make that body feel so good
Make that body feel good, good, good, good
Make my body say ooh, ooh, ooh, oohoo
Ooh, ooh, ooh, oohoo
Ooh, ooh, ooh, oohoo, yeah
Yeah, yeah, yeah, yeah, yeah
I like when you work me like that, like a 9 to 5
Oh boy, work me like that, make me feel so right
Yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah
