

# Woman, Woman

[Johnny Bristol](#)

Woman, oh woman, have you got  
Cheating on your mind, on your mind?  
There's something wrong between us  
That your laughter cannot hide And you're afraid to let your eyes meet mine  
And lately when I love you I know you're not satisfied  
Woman, oh tell me woman, have you got  
Cheating on your mind, on your mind? I've seen the way men look at you  
When they think I don't see  
And it hurts to have them think  
That you're that kind But it's knowing that you're looking back  
That's really killing me  
Oh woman, oh tell me woman, have you got  
Cheating on your mind, on your mind? A woman wears a certain look  
When she is on the move  
And a man can always tell what's on her mind  
I hate to have to say it but that look's all over you Oh woman, oh tell me woman, have you  
Got cheating on your mind?  
Oh woman, oh tell me woman, have you  
Got cheating on your mind?
