142

Crackout

I want you at my feet
This is really neat
I can't stand getting beat
What will I believe
I'm around with everybody
But they don't like me
Start to think that I'm not sorry
We walk aroundIn you
You'll learn pretty soon
There's nothing left to loose
And we're not pulling through we're 142Too much left up to me
1 4 1 4 3
It's OK pretty sweet
What am I to seeIn you
You'll learn pretty soon
There's nothing left to loose
And we're not pulling through we're 142In you
You'll learn pretty soon
There's nothing left to loose
And we're not pulling through we're 142
