

# Shadow of the sun

## Audioslave

Once upon a time I was of the mind  
To lay your burden down  
And leave you where you stood  
And you believed I could  
You'd seen it done before  
I could read your thoughts  
Tell you what you saw  
And never say a word  
Now all that is gone  
Over with and done, never to return I can tell you why  
People die alone  
I can tell you I'm  
A shadow on the sun Staring at the loss  
Looking for a cause  
And never really sure  
Nothing but a hole  
To live without a soul  
And nothing to be learned I can tell you why  
People go insane  
I can show you how  
You could do the same  
I can tell you why  
The end will never come  
I can tell you I'm  
A shadow on the sun Shapes of every size  
Move behind my eyes  
Doors inside my head  
Bolted from within  
Every drop of flame  
Lights a candle in  
Memory of the one  
Who lives inside my skin I can tell you why  
People go insane  
I can show you how  
You could do the same  
I can tell you why  
The end will never come  
I can tell you I'm  
A shadow on the sun Shadow on the sun, shadow on the sun

Shadow on the sun, shadow on the sun  
Shadow on the sun, shadow on the sun  
Shadow on the sun, shadow on the sun  
Sun, sun
