

# F\*\*k Everything

Jon Lajoie

Yo others rappers claim to not give a fuck  
Well step aside bitches 'cause I give the lowest amount of fuck humanly possible I don't give a fuck  
About anything fuck everyone and fuck everything what  
I don't give a fuck  
I literally don't give a fuck about anything I don't give fuck about motherfucking anything  
People care about shit, I say fuck everything  
Fuck you, fuck me, fuck the sky, fuck trees, fuck the sun  
I don't need heat or vitamin D And fuck toasters I don't need to cook my bread  
And fuck coasters I use a little plate instead  
And fuck roosters with your useless cock-a-doodle-doo  
We invented alarm clocks we no longer need you Don't give a fuck about chairs I prefer to stand  
And fuck air conditioners I got a ceiling fan  
And fuck the movie the fan starring Wesley Snipes  
Demolitionmans the only Snipes movie I like And fuck liking shit I don't even like the stuff that I like  
Don't give a fuck about not liking all the shit I don't like  
Like tissues fuck 'em I blow my nose on the couch  
And fuck my nostrils and my sense of smell I breathe through my mouth Don't give a fuck about seeing bitch  
fuck my eyes  
Fuck visual perception yo I'd rather be blind  
And fuck time seconds are too short and minutes are a joke  
And hours are way too long they should be half an hour at most And fuck coasts don't give a fuck about where  
water meets land  
And fuck boats just 'cause you float you think you're so fucking bad  
And fuck jokes I don't need to be funny all the time  
My dog has a tumor and he's probably gonna die but I don't give a fuck  
About anything fuck everyone and fuck everything what  
I don't give a fuck  
I literally don't give a fuck about anything Walked in to a coffee shop and ordered a cup  
The girl said "Small, medium or large?"  
I said "Bitch I don't give a fuck"  
She said "I can't process your order if you don't pick a size"  
I said "Fine I'll take a large but I still don't give a fuck alright?" Don't give a fuck about beverage size options  
motherfucker  
And I don't give a fuck about liquids either  
They're all wet and shit and tend to spill all over the place  
Like human semen when I get it all over my face  
I'm not gay I just don't give a fuck about straight sex  
And fuck my dick I'll pee and cum out of my mouth instead Fuck biological functions  
Fuck the human body

I'd prefer the body of a bat and the head of a coyote  
I'd call myself batyote and I'd fight crime at night  
I know it's similar to batman but motherfuck copyright  
I plagiarize all the time I do it every day

'Cause I'm on the right track baby I was born this way  
And fuck birth entering the world of space and time is a  
bitch

Searching for purpose in a random universe sucks dick  
Is it deterministic or am I free to choose my way  
Did I choose to not give a fuck about icecube trays  
If I want ice I'll go to the fucking cornerstore and buy a bag  
Filling you up and waiting for the water to freeze is a motherfucking drag  
You know what fuck the word fuck I don't need to use it  
I'll replace it with the word chainsaw for this chorus  
I don't give a chainsaw  
About anything chainsaw everyone and chainsaw everything what  
I don't give a chainsaw

I literally don't give a chainsaw about anything  
If there were a contest to see who doesn't give a fuck the most  
I wouldnt win 'cause I don't give a fuck about winning, yo  
I don't even give a fuck about not giving a fuck so I do give a fuck  
Wait, what? I give a fuck  
About everything I love everyone and care about everything what  
I give a fuck  
I literally care about every motherfucking thing
