

Murder (Digital Assassins Mix)

The Crystal Method

Go You know it's hard You know it's my gun There's a killer on the street
She's moving from house to house
There's a murder over there
He's bleedin' from heart to mouth One time where you're hiding's when she met ya
Two times she knows you won't forget her
Three times do anything to fuck her
Last time ya dead before the morning One time
Two times
