Kind Woman

Chris Smither

Well I've got a good reason for lovin' you
It's an old fashioned sign
It kinda makes me feel like, mmm
You know, when I fell in love the first timeKind woman, won't you love me tonight
The look in your eyes
Kind woman, don't leave me lonely tonight
Are you sayin' it's all rightWell remember once before
Hearin' the old folks say love's an ageless old rhyme
Yeah but nowadays you know the sayin' depends
So much on the kind of woman that you findKind woman, won't you love me tonight
The look in your eyes
Kind woman, don't leave me lonely tonight
Please say it's all right
