

The Great Divide

[**Joe Bonamassa, Black Country Communion, Derek Sher**](#)

Silence
Trying to fathom the distance
Looking out 'cross the canyon carved
By my hands
God is gracious
Sin would still separate us
Were it not for the bridge
His grace has made us
His love will carry me
There's a bridge to cross the great divide
A way was made to reach the other side
The mercy of the Father cost His son his life
His love is deep, His love is wide
There's a cross to bridge the great divide
God is faithful
On my own I'm unable
He found me hopeless alone
And sent a savior
He's provided a path
And promised to guide us
Safely past all the sin that would divide us
His love delivers me
There's a bridge to cross the great divide
A way was made to reach the other side
The mercy of the Father cost His son His life
His love is deep, His love is wide
There's a cross to bridge the great divide
The cross that cost my Lord His life
Has given me mine
There's a bridge to cross the great divide
There's a cross to bridge the great divide
There's a bridge to cross the great divide
A way was made to reach the other side
The mercy of the Father cost His son His life
His love is deep, His love is wide
There's a cross to bridge the great divide
There's a cross, there's a cross to bridge
There's a cross, there's a cross
There's a cross to bridge

There's a cross, there's a cross to bridge
There's a cross, there's a cross
There's a cross to bridge
There's a cross to bridge the great divide
