

One and Only

Parokya Ni Edgar

It took one look
Then forever laid out in front of me
One smile then I died
Only to be revived by you There i was
Thought i had everything figured out
Goes to show just how much i know
'bout the way life plays out...Chorus:
I take one step away
then i find myself coming back to you
My one and only, one and only you...ooh...Now i know
That i know not a thing at all
Except the fact that i am yours
And that you are mine Ooh,
They told me that this wouldn't be easy
And no
I'm not one to complain...Chorus:
I take one step away
then i find myself coming back to you
My one and only, one and only
I take one step away
then i find myself coming back to you
My one and only, one and only
you...
